Finally! We have finished this yearbook. We hope you will enjoy it and remember the good times with your friends, during the 2005 - 2006 school year. Before we part, we would like to thank a few people. Our friends, Julianne Sobryan, Erin McGrath, Danica Kyryllo, and Natalie Pirkola for helping out. As for the cover, we would like to thank Megan Aird for the idea and Mrs. Welbourn for taking the awesome photo. Thanks to the photographers, especially Mrs. Sigsworth, Ms. Robson, Mr. Reid and Mrs. Welbourn. Without them, the yearbook would be only text, and no one would read it. Last but not least, we would like to thank Ms. K for putting up with us for a week (in the summer) and for probably doing more work on it than we did (she made us say that). Have a great year, everyone.

Thanks from your editors,

**Jessica Daicos and

Principal's Message

Contained within this book are some remarkable memories of the past year. I hope you will keep it close, look upon it often, and celebrate all of the moments that made up the wonderful times we are lucky enough to share at Trafalgar Castle.

We are very fortunate to be blessed with such a marvelous home, but what really makes our School special is all of you. Students, parents, teachers, staff, and friends of the School - all play an important role in making these hallowed halls come to life. Your continued support and affections are much needed in keeping that vital pulse going and we hope you will consider remaining a part through event attendance or donations to our Annual Giving Program and elsewhere.

What can Trafalgar Castle School do to continue to be relevant; to be a place where girls (prospective students or alumnae) want to be? What should our priorities be as we enter our 138th year? These are questions we will continually ask ourselves and ones you can help us to answer.

We are a growing and evolving School. Your attendance here has meant that you are a part of that growth. You have helped to create a society that mattered here, today; in our communities tomorrow, and in our hearts always.

Ms. Pamela McInroy, B.A., Dip. Ed., M.Ed.

Vice-Principals' Messages

As summer approaches, we can all look back on the school year with a great sense of pride in our accomplishments together. As usual, School Life has been very busy, and the year was filled with a tremendous variety of activities. Inspiration was provided around every corner, whether on the athletic fields where our teams were very successful, or in the dramatic arts where the concert hall was magically transformed to Les Misérables. Our Robotics team continued to motivate everyone to learn more about technology, and the year culminated with the first ever L.I.F.T. conference "Letting Inspiration Frame Tomorrow". Every year, I am always so proud of the achievements of our staff and students. Awards Day this year was no exception, showcasing so many important milestones in athletics, academics and the arts. The residence was a dynamic and lively home for all our boarders as usual, and our extended family celebrated the traditions of many different cultures. My thanks go to the RT's for their dedication, professionalism and great sense of humour which kept all the girls motivated and content. To the grads, I wish you all the best in your future endeavours, and for those of us returning, I hope everyone enjoys a wonderful and well-deserved summer vacation.

Dr. Wendy VanderHelm, B.P.H.E., B.Ed., M.Ed., Ph.D.
Vice-Principal / School Life

A yearbook is a wonderful thing. Inside its covers is a pictorial record of 10 months of a school's life. This record lives on for years and years, waiting for someone to open it and relive it again! When this happens, memories of friends, experiences, feelings, triumphs and tribulations come flooding back for the reader. To think that a simple hardcover book can be so timeless and powerful is really amazing.

I hope that this yearbook will do all of the above for you. Your experiences over one or more years at Trafalgar Castle School are many and they are all locked away somewhere in the grey matter of your brain. As this yearbook's contents unlock those memories, I trust that you will remember all that you have experienced within the walls of the Castle. Use all that you have learned in your future endeavours and always strive for excellence.

Graduates, you have completed a major chapter in your life-long learning journey. A new and exciting chapter lies ahead of you! As you head off to university or college, I would like to pass on one thought and encourage you to tuck it away in the back of your mind. Remember it as you pursue your future goals. The thought is this: Strive to find your bliss and then follow it! Your bliss will be that activity or vocation which brings you the most happiness, joy and fulfillment. When you find it, you will know it!

When you have found it, follow it. I wish each of you success in this regard.

Finally, I would like to commend the yearbook staff, the editors Shi-Yeon Cho and Jessica Daicos, and Ms. Kwietniowski for all their time and effort in preparing this yearbook. Their work is very much behind-the-scenes but essential to the success of the book.

Being a prefect at Trafalgar Castle School is amongst the greatest learning experiences one could ever be faced with. In our case, twelve, strong, intelligent and motivated people were placed together and bound to produce high quality work, learning many valuable lessons along the way. This year, the Trafalgar Prefect Body was a culmination of all of the wonderful things our school has to offer. There were those who were brilliant at math, the artsy prefects, the motivators, the science oriented ones and the caring and nurturing types. Using skills from each of these areas, we were able to produce some events that we hope will be carried on into the future. This year's Teddy Bear Picnic, through generous donations of our students, allowed us to take more than 150 teddy bears to the local hospital for children in the pediatric ward. Our various Big Sister Little Sister events, allowed for students from many different grades and backgrounds to interact and learn from each other. And of course L.I.F.T; who could forget that! Six months of planning, for one day of awesome learning, inspiration and interaction between members of various school communities. Each year, we grow and learn from each other and from the advice of the former prefects. So to next year's prefects and school community, I give you this: Dream big, work hard to accomplish those dreams, support others on their journey to achievement and tell the people who make your days brighter that they have a wonderful effect on your life. I look forward to coming back to the school in the years to come and seeing all of the wonderful things Trafalgar prefects and students have been able to do for the school we all love so much.

Trafalgar. It's amazing how one word can evoke so many thoughts, memories, and emotions. I cannot possibly fit the 7 best years of my life in one small paragraph! Trafalgar is the best thing that ever happened to me. I have grown up from a skinny freckle-faced kid into a beautiful and intelligent young woman. Trafalgar did this to me...with a little help from puberty! I'd like to thank my parents 4 giving me such an amazing experience! I love you more than words can say. To Dave: merci mon frère! Maxwell: Make me proud! Prefects: it's been a pleasure...anything boys can do...girls can do better! To all of my amazing friends: if there is one thing you can hold onto in this world - it's each other. Class of 2006: I LOVE YOU ALL!! Thanks for being YOU!! Watch out World - HERE I COME! ***Live, Laugh, Love***

Megan Aird

My experience at Trafalgar for the past six years has been unforgettable. I can't even begin to describe how much Trafalgar has impacted my life. Each year has brought me new experiences, and taught me more about myself and the world that I wouldn't have learned otherwise. I would first like to thank my parents for their constant love and support and the opportunity to attend such an amazing school. Thank you for always being there for me. Next I'd like to thank my friends, you girls are truly amazing! I will never forget all the adventures and laughs we've experienced together! The bond that we've created together cannot be broken. To Nicolle, you are the best sister and friend anyone could ever ask for! Thanks for everything! I can't wait to step out into the world and experience what else is out there! The best is yet to come! 'Live for the nights you'll never remember, with the friends you'll never forget'

Amanda Brown

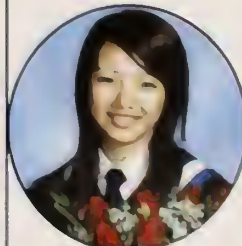

Who knew that coming here two years ago would change my life forever? Not only did I get an awesome education but I met tons of girls who wanted the same things in life as I did. I started off as the shy dancer "princess" - thanks Weaver - who said NEAT and I transformed into this outgoing and expressive woman. Who knew that being surrounded by girls could help you become a stronger individual? I want to thank everyone for putting up with the way I deal with stress and all of my little quirks. The times outside school were a blast. Whether we were sitting in a basement playing pool, bowling, shopping or just chillin', we made each experience our own. I will never forget them or the people involved. Through the good times and the bad, we took what came with a smile on our faces and now we are off. Off into a world that is going to be surprised at what we can do and accomplish. Congrats girls on all your effort. Can't wait to see where you go in life. Love always,

Jamie Brownlee

Finally! I can graduate! The years have passed by so quickly since I came to this school. I have boarded at Trafalgar for 6 years now and I will miss many of the people I have met here. I have been at Trafalgar since grade 7 and time seems to be passing by so fast. There are many happy memories I made throughout the years and I will surely miss them after I leave this school. I am really excited to move further on into university, but I still cannot believe that I am graduating. Finally, I wish everyone a great summer vacation and lots of fun!

The last five years and some months that I have spent in this castle were full of mixed things: many mistakes, occasional successes, a great deal of drudgery, and (hopefully) an equal amount of learning. A couple of things that I learned: it's too easy to forget the purpose behind finishing work and we are prone to end up complaining about things. I hope we don't waste years of our lives venting about how bad things are; as Nietzsche (who was a pretty smart guy) said, it's the most common form of stupidity. We've got tons of time on our hands; might as well make good use of it. And I'm sure you guys will do great. Well, thank you and Godspeed to you all - that's for everyone in the castle: the staff members, teachers, fellow students, etc. Hopefully, we'll see each other again, after doing some good for the people. Cheers.

Shi-Deon Cho

You know, I remember once I went to a circus and I saw a strong man bend a car... BEND-A-CAR! PAT BEN-A-TAR! Well, this is it. So, first off I suppose I should thank a few people: family, friends, teachers, coaches, and, of course, everyone who stuck it out for the spoons. I hope they're shiny. To my fellow grads: see you at the reunion in 30 years, when we're all going through our mid-life crises and discussing wrinkle creams. Have a fantastic life, everyone. And to quote The Genie: "Well, I can't do any more damage around this popsicle stand... I'M OUTTA HERE!"

Jessica Daircos

I have spent 2 years at Trafalgar. This was the greatest experience of my life. I have made friends – a group of crazy friends. I gained a lot of knowledge – closely observing the body structure of the bats. I have become an independent woman – managing my Internet time wisely. I want to give a special thanks to Mrs. K, my home room teacher and math teacher. You are such a great and funny teacher. I also want to say "Thank you" to all my friends. Thank you for helping me with my homework. Thank you for all your support. I also want to point out one of my friends - Jaime, you are such a good cook and you are kind. You helped me to learn how to take care of a little sister. I hope you will have a good time next year. I hope all the grads will have a great time in the future.

Terry Kwok

My 3 years at Trafalgar can be summed up with: Goodtimes and Jokes. To all my friends I'll never forget the after lunch couch times... Sarah you're my twin for life! I have finally reached the end of my high school career, and who would have thought it would have gone by this fast! Before I, along with the other grads, go out into the big world, there are some people I need to thank. Without them I wouldn't be where I am today. To my friends - thanks for the laughs, the advice, the support and the love. To the teachers- thanks for the lessons, the patience and the understanding. And to my parents- thanks for everything. Love Jamie.

Jamie Kinnaird

Life at Trafalgar has been an experience I will never forget. From giving me opportunities to play sports like volleyball and tennis to building robots (I love all you girls!), my six years at the castle have helped me to learn things about what I am and what I can become. Thank you to all the teachers who gave me some learning and friends who, well...you know. Looking back now, the years seem to have gone by so quickly. However, I know I am ready for change; after all, "Change is inevitable, except from vending machines."

Danica Kyrillo

It seems like just yesterday that I was sitting in the grade 8 classroom with all of high school still to go. I never imagined that those five years would fill my heart with such fond memories. I could not have asked for a better group of girls to spend the time with. I love you all so much. You have all helped me grow into the young woman I am today, and for that I owe you all a huge thank you. D - I would never have found my way anywhere without you. Emily - summer times all the way. Jamie - too bad neither of us remembers anything we laugh about. Amanda - I'm going to miss our boy talks. Stef - we made it!. Carpool girls (CR, MA) - I don't know how I would have made it through the early mornings without you. To the rest of you...you're all amazing. [Teachers]: You've all taught me lessons that go past just the classroom. [Mom & Dad]: Thank you for the opportunities you've given me [Girls]: Remember: "Live as though you'll die tomorrow. Act as though you'll live forever"... World get ready - Here we come!

So I returned to Trafalgar for my final year, not knowing what was coming. But after a great year, I realize that I am forever in debt to my parents for giving me this great opportunity, as this school has poured a great foundation for my future, and for that I am grateful. So many memories I will cherish forever such as the park, Montréal, keeping it breezy and good times with great friends. Thanks to my teachers for all the help you've given me. I was able to be the best I could be because of you! Big Ups to Garbe, H.P., L.Y., D.Z., R.S. Bravo's and S.VG.! See you all in the VEV!! Remember to be true to yourself, only you can determine your future ('specially you Melissa, you're the best little sister anyone could ask for). You are the only one in life you have to impress. Thanks for a great year and all the best in the future.

Meghan Malachowski-Lessard

It seems like just yesterday that I walked down the long corridors of Trafalgar Castle School for the very first time, and now I sit to write my final words. From Outward Bound to New York, from the class room to Muskoka Woods, from the TAA to the sports fields, these past four years have been four of the most amazing years of my life. The friendships made here are those no one will ever forget. The memories will last a lifetime. Thanks to my parents who gave me these great opportunities; my sister, just for being my sister; and the teachers who helped me get to where I am today; for your inspiration and encouragement.

Erin McGrath

It's amazing to think that 4 years can feel as fast as 4 months. Trafalgar shaped me into who I am and brought me to the people I've grown with. Stefanie—my best friend: thanks for the support, encouragement, and the many jokes & fun times. Jay-K/Batman: Where to start? We've had every class together since gr.9 and I can't even remember all the times we laughed the day away. Emily/Emilio—we've had JOKES times & you always make me laugh. Sarah/cupcake! We always have the random days! Thanks so much for always being there for me! Karina: Our missions & getting lost. It seems like everything we do, we have a major struggle with but it's more fun! Hailey Adams: I SO won the competition and you know it—fun times w/ Emily! The fam: thanks for the support, encouragement, opportunities. To the grads: it's been an amazing year. "A friend is someone who is there for you when they'd rather be anywhere else." I'll always be there for you, grads!

Danielle Morgan

"The key to happiness is having dreams- the key to success is making them come true" I cannot believe that it is actually my time to graduate. Three years have flown so fast! I will never forget the day that I arrived at Trafalgar for the very first time. I didn't know anything about Canada. I couldn't even speak English. Of course it wasn't easy at first; it's never easy to be away from home, speaking and studying in a different language. But, there were always people around me helping and supporting me. RTs, Dr. VH and Carmen, I don't know how to thank you. You are amazing. You taught me a lot and gave me faith and confidence. Residence girls, you are like my sisters. I love you. I really appreciate all of your support. Teachers and staff: thank you so much for everything. I am so happy to know you all. Thank you. Last but not least, MOM AND DAD! Thank you so much for giving me such a great opportunity. My dream couldn't come true without your support. GIRLS!!!! WE DID IT!!

Mariko Ohtsuki

It's hard to believe that my four years at Trafalgar have passed so quickly. Bitter-sweet is how I would have to describe my graduation. Although I am excited to move on to a new part of my life, saying good-bye will not be easy. [teachers]: Thank you for being so patient and supportive. You've taught me so much more than I could ever learn from a text book. [mom, dad & nic]: Thanks for giving me this wonderful opportunity and being so supportive. love you. [r.r | e.l | s.g | d.m | h.a | c.r | k.l | j.k | m.a | c.w | a.b | j.b | c.h] love you ladies. I am so incredibly fortunate to have shared my high school years with such a wonderful group of girls. Whether you realize it or not, you've all left footprints in my heart. Sadly, all good things must come to an end but I wouldn't want it to end with any other people or be at any other time. I've learned that goodbyes will always hurt; pictures will never replace having been there; memories, good or bad, will bring tears; and words can never replace feelings.

It's been four years of FUN! I can't believe that I'm one of the Grads. I would like to thank my parents for everything they have given me. I remember the day I arrived at Trafalgar; the school was a real 'castle' just like the Harry Potter movies. Harry Potter was my favourite since grade 8, so I was dying to live in a 'castle' like Trafalgar. Living without my family and friends was very hard, but then I met wonderful girls like Abby, Elena, Hae-Na, Rachel, and my Korean sisters (Yoon Hee, Se-In, Hye-Min, Stella, Alecia, Ashley, Yun-Mi, Rosemary, sisters on Ryerson)etc. These girls helped me get through my residence days at Trafalgar. Abby: I will never forget the day we went to the Kyo-To house and took funny pictures with colourful hats on. Elena: I will never forget your dancing skills with all kinds of music. Hae-Na: the time we shared in drama. Rachel: your singing any place, any time whenever I asked you. I will miss you all!!

Hae na Park

Thank you Trafalgar for giving me lots of opportunity. This has been a second home since I began boarding here this year. I would especially like to thank my RT's. Ms. Phillips; thank you so much for being there when I needed it the most. Ms. P.; you are so nice and so caring to all of the students at Trafalgar. Your personality is outstanding and I want to model myself after you. Ms. Johnston; you are always up to date with the newest music and your passion for caring always shows. I appreciate all you have done for me, calming me down when I needed it. Mrs. Hansen; my other role model. You have helped me develop confidence and the skills to do better in life. You are like a second mother to me. Thank you so much. Thanks to all of my friends for their never ending support and friendship over the years. To Jess, Ju, Danica, and Shi-Yeon; my best friends since grade 6. Erin, Lexxi, Holly, Dunya, and Jess .M.; wonderful people and such good friends. Where have you been all my life! I LOVE YOU ALL!

Melinda Phalen

High school is finally over, and for once I'm finally at a loss of words. I can say that these past two years have changed my life in more ways that I could ever imagine. I have gained more knowledge and understanding with numbers and vocabulary, and also in life and its morals. [My teachers]- Thanks for putting up with us. [Mim&Dada]- By far the world's best parents... I owe u the world. [Ty, Cor, Hal]-thanks for looking out for me, couldn't ask for better friends. [My Lovelies]- so, el, ha, cr, ef, dm, ma, jk, sg, ab, cw = jokes to last a lifetime girls...thx 4 everything...never forget who you are and go out there and make a difference.[Cait]- so much more to come doll.. Thx for everything... Especially him... XO. & that's all she wrote... And remember; don't be sad it's over...Be happy we got to live it, especially together.

This year was a life-altering adventure. I was excited to venture out on my own, although I was not prepared for the BIG wakeup call it would give me. This year has been full of changes: tears, smiles, laughs, and friendships that I will never forget. I was able to find some of the best friends who made it all worth while. I would like to give a big thanks to the teachers who never gave up on me, the friends who were always there to help me out along the way, and the residence staff for putting up with my mood swings & messy room! A special thanks to my family, I wouldn't have been able to finish this year without you. I will never forget this year, as I move on, (which I am very excited to do). I will always hold this experience in my heart.

The past 4 years at Trafalgar have been the best 4 years of my life. Though there have been many ups and downs, it wouldn't have been the same without them. I can't get over how many amazing people I have met here, and I can never forget my bff EF. HA we rocked Hare House, RR you've taught me so much, you don't even know. Carpool buddy's [MA, KL] It is going to be sad to leave this castle, but new adventures await me that I am so excited to discover. My family has kept me going when I was down and without them I would not have been able to be the person I am today. To all my friends, thanks for picking me up whenever I needed it, and I couldn't think of any other girls I would want to spend my graduating year with. I love you all. Let the good times roll on graduates of '06!

I can't believe I have spent 2 years, nearly 500 days, at Trafalgar! I became a more mature and independent woman. I will never forget being a prefect, all the laughter and anger in LF, EEB @ 630, shower in the gym with ice water surrounded by snow, Polar in winter VS Tropical in summer, snow fighting, partying, bats + Trafalgar bugs, non-stop meetings at lunch, dancing at May Day and Muskoka Woods, musical backstage, U20 bball – LITTLE HONGKONG! Thanks to my lovely mom + dad who sent me to Canada. Jaime, Terry, Qubie: WE ARE [MJ4BO]!! LOVE U ALL MY LOWB FDS! Thanks for sharing all the happiness n sadness n stresses with me esp. days in QB's home. Ivy, Wong, Yvonne, Janet, Angie, Abby and others HKers: my life in residence wouldn't have been so much fun without YOU! Mrs. K: Thanks for tolerating our non-stop chatting. Weaver: Love gossiping w/ u esp. Daniel Wu! Mrs. Martin: Thanks for your support, encouraging words and time on the swim team. MISS U ALL!! >w<

Seven years of memories I know I'll never forget. This castle has changed me and shaped me in ways I can't explain. I came as a shy 10 year old, and I'm leaving as a 17 year old ready to experience the world. To Mom and Dad- Thank you for allowing me to have the opportunity to attend Trafalgar. To my teachers and mentors- Graduating is bittersweet, and throughout all the drama and complaints I know how truly lucky I was to have such fine people educating me. To my lovely ladies [ha.ab.ef.sg.jk.el.kl.dm.so.cr.rr] – there are no words for what you've meant to me. On good days and bad, I could always look to my friends for support and I'll never forget that. As I continue on in life the memories of crowding ourselves on the common room couch will not escape me. No matter where I go, I know one thing... the girls in blue will always remain my friends forever. On a final note... I always knew I would laugh about the tears, but I never thought I would cry about the laughter- Williams... out.

U14 Field Hockey Team

The Under 14 Field Hockey Team has been very successful this year. Many of us were new to the sport but had managed to learn and play really well in both practices and games. All our hard work through the cold weather paid off and managed to get some fantastic goals in the games. But most importantly, we all had fun learning new things and shooting some shots. We had wonderful coaches who also had a lot of fun coaching. We all had a great time playing field hockey.

Third Row: Allison Lamb, Laurel Brazill, Jacqueline Pilon, Jennifer Jacoby, Lesley Campbell.

We pushed, we slap shot, we hacked, we tackled. After losing much of our team from last year, this year was a building season for the T2 Field Hockey team. With twelve rookie players this year, we played tough and hard throughout all of our games but the experience of the other teams proved to be a challenge. By the end of the year, we turned on our onagi, and pulled off a dramatic win. Thank you to Ms. Mitchell for her fabulous coaching while Ms. Webb was away. Here's to a great season girls!

Junior Soccer Team

Third Row: Miranda Gobran, Nicole Lupton, Grace Bravo, Erin Campbell, Laura Hildred, Sabrina Nemeth.

In spite of a few injuries, our dedicated players were driven by their desire to succeed which led to a great season! Our spot in the playoffs came down to our last regular season game. Both teams were equally matched which made for a close, nail biting game. Unfortunately, in an unlucky goal close to the end of the match, Trafalgar lost 2-1. Thank you to all the players for a wonderful season and Lisa Harrington with her help on the sidelines. Looking forward to next year!

U14 Basketball Team

What a great season the Under 14 basketball team had this year! One thing we can say for sure is that there was never a dull game! Each game we played, seemed closer than the one before, with one game coming down right to the last few seconds. The girls were tough competitors and played 110% all the time. We made our way into playoffs, but lost a close game with York School. All in all, it was a fun season, with lots of great teamwork, which is what counts the most!!

Front Row: Mrs. Welbourn, Catherine Sim, Tanya Murdoch, MacKenzie Boyd-Garrison, Cassidy Romain, Vera Wong, Giovanna Villanti. Second Row: Karen Thomas, Tessa Siksay, Lauren Wianeki, Justine Latremouille, Samantha Campbell, Robyn Barefoot.

U16 Basketball Team

The Under 16 Basketball Team started the season as a group of skilled individual athletes and finished as a team that knew how to work together, using those skills to optimal advantage. As a result, they were able to compile a 7-1 record and capture the Tier 2 CISAA Championship. This team had it all: dominant post players who could score and rebound in Alycia and Vero, unstoppable ball-handlers and shooters in Margaret and Erin, leadership on and off the floor in Caroline and Priyanka, speed and unmatched intensity in Brittney and Magdalene, and strength and competitive drive in Courtney and Meghan. They will be a dominant force in basketball in the years to come. Congratulation on a fantastic season, girls!

Front Row: Mr. Weaver, Margaret McKay, Alycia Wodzack, Erin Siksay, Priyanka Birdi.
Second Row: Courtney White, Veronique Caron, Brittney Lebel.

U20 Basketball Team

Front Row: Mr. Huxter, Tammie Wan, Qubie Wong, Terry Kwok, Lianne Holland, Christina Runza.
Second Row: Vivian Wong, Erin McGrath, Hailey Adams, Emily Lamb, Ivy Mak.

This year was an especially rewarding experience. Our team had 5 students from Canada and 5 from Hong Kong. At times we played the "Hong Kong" line and it was always great. Cantonese yelling permeated the gym! The girls worked hard and the team progressed very far in a short season. Our last game was our best game and in the end nothing is more satisfying. Memories will include, the effort of Ivy and Terry, Vivian scoring 6 points in a game, Tammie's shooting, Qubie's passing, Emily and Hailey cheering louder than entire schools, Lianne's incomparable defence, Christina's ability to shoot at the last game and Erin's ability to do it all. Perhaps my greatest memory will be seeing Tammie, 3 days after the season ended in the outdoor court, working on the same drills that we did in practice. The season was over, but there was still work to be done - that's what sports is all about!

Cross Country Team

Trafalgar's 2005 Cross Country Team had a busy competition schedule this past fall. The team travelled all over the province participating in the following races: Trinity Invitational, Run for the Cure, Mustang Invitational, Chicopee Invitational, Boardwalk Relays and the CISAA Championships. The runners worked hard to improve upon their personal best times and Miss Miles-Berry wants to thank the following runners for a fun and exciting season: Jennifer McPherson, Caitlin McKay, Amy Sauger, Natalie Pirkola, Elizabeth Selbie.

U13 Volleyball Team

Front Row: Miranda Gobran, Kemi Amurawaiye, Giovanna Villanti, Jordan LaRocque-White, Elisa Park, Mrs. Robinson.
Second Row: Tamiko Kotack, Chelsea Latremouille, Samantha Campbell, Justine Latremouille, Sarah Mehta.

The Under 13 Volleyball team had an excellent season. We played very well, winning 3 out of 5 games in the regular season. We were hoping to make the playoffs but lost out in the tie breaker! We had some new players who improved tremendously and some returning players who were great leaders and teachers. Our team members were in Grades 6, 7 and 8 and we worked hard and bonded as a team. It was exciting to see the improvement in the team as we worked on setting up the ball. We even received some compliments from referees on that aspect of our game. Congratulations on a great season girls! You should be very proud of yourselves and I hope to see you back on the court next year!

U14 Volleyball Team

The U14 Volleyball season was a long one this year since we were able to play many exhibition and league games. There were 11 girls on our team; Alea, Erin, Tobi, Justina, Maddy, Avery, Lauren, Tanya, Karen, Jennie, and Catharine, all of whom dedicated their time, hard work and never ending spirit to both practices and competition. It was an intense season, with many action packed games. Their competitive spirit and winning attitude secured the U14 team a place in the playoffs, and an outstanding 4th place finish.

Front Row: Alea Frauts, Catherine Sim, Justina Sebastiampillai, Tanya Murdoch, Tobi Odueke, Madeline Morra, Ms. Mitchell.
Second Row: Lauren Wianeki, Avery Linford, Erin Campbell, Jennie McPherson, Karen Thomas.

U16 Volleyball Team

The Under 16 Volleyball team had a very successful season! They lost to only one team in the regular season in a close match which landed them in first place overall in the eastern division. On March 4th they played in an east/west tournament for the top teams where they placed fourth overall. The girls should be very proud of their accomplishments and even more proud of the improvements they made to their game. They played very strategically and skillfully during the last tournament.

Front Row: Mrs. Subrizi, Caitlin McKay, Kelly Barnes, Erin Siksay, Sabrina Nemeth, Samantha Wong.
Second Row: Nevada Bianca, Laurel Brazill, Alycia Wodzak, Lesley Campbell, Patricia Manos.

U20 Volleyball Team

Front Row: Mrs. Robertson, Julianne Sobryan, Jaime Brownlee, Christina Runza, Stephanie Garbe, Jessica Daicos.
Second Row: Alexa McCartney, Megan Aird, Hailey Adams, Emily Lamb, Allison Lamb.

This year, the team was comprised of many players who were relatively new to the sport. We started with very basic skills and limited positional knowledge. During the first half of the season, we faced many strong opponents but we were able to play competitively. Each member of our team was dedicated to choosing a particular skill to develop and made it her goal to improve in that area. I am pleased to announce that every team member successfully met her goal by the conclusion of the season. We went from last place to a sixth place finish. Every member of the team is to be congratulated on her dedication, determination and focus. Special mention must be given to the setters, Christina Runza and Emily Lamb, who kept us in every game we played. They were at the center of every successful play we had as they made a tough job look easy. Thanks for a rewarding season!

Synchronized Swimming Team

Front Row: Ms. Webb, Casey Wilton, Francesca Di Pietro, Fernanda Calderon, Alexis Poliacik.
Second Row: Julia Coffin, Sybille Lindsay, Danielle Henry, Jessica Henry.

Synchronized Swimming involves two very different skills; the routine and the figures portion of the competition. With only one month to learn and perfect both, the six members of the team worked very hard and practiced many hours. Our hard work paid off. Decked out in our tuxedo bathing suits and bow ties, we came 2nd at the CISAA Championships, and had great figure results by all of our athletes. Special mention for Francesca DiPietro who placed first while swimming up two age group categories. Thank you to Danielle and Jessica Henry for their assistance in coaching this team.

Swim Team

The Trafalgar's Swim Team enjoyed a great season, full of many "personal best" performances, impressive results at all CIS Swim Meets, and a strong sense of fun and family amongst team members. Practices were characterized by energy and dedication, as well as a nice time to reflect on the school day and blow off some steam in our "Check In" and "Check Out" moments at the beginning and end of each session. A special congratulations must go to Phoebe Cheung for her achievement of an OFSAA qualifying time in both the 50 meter Freestyle and the 50 meter Butterfly! The Swim Team's coaches, Mrs. Martin and Ms. Webb, are so proud of all of their swimmers, and hope to see many of the same girls out for next year's team. Keep swimming!

Front Row: Mrs. Martin, Elena Aguirre, Vera Wong, Jaime Leung, Phoebe Cheung, Christina Kim, Alex Logan, Ms. Webb.
Second Row: Melissa Webb, Elizabeth Selbie, Jackie Pilon, Jennifer Jacoby, Amy Sauger.

Tier 1 Hockey Team

The Trafalgar Hockey team had another great and successful season, not necessarily on the score board, but in terms of skill improvement and team work, showing off lots of talent and sportsmanship. There were many new players to the game who pushed their way through, showing up to all of the after school practices—twice a week. On behalf of the team, we would like to thank Mr. Brannigan and Aaron for their wonderful coaching, Mrs. Brannigan for putting up with our ranting in the change rooms (and doing up most of the girls skates) and to Margaret who stood on her head in net for most of the games!!

Front Row: Michelle Gruszecki, Hailey Branton, Caitlin Hopkins, Cassidy Holt, Jenny McKeeman, Brittney Lebel, Carolyn Bushuk.
Second Row: Rebecca Russell, Margaret McKay, Erin McGrath, Maura Brannigan, Lindsay Pilon, Jessica Peroff.

Tier 2 Hockey Team

Front Row: Susana Geisser-Nunez, Ximena Perez Teuffer, Jamie-Leigh Hyde, Regina Dominguez-E, Laura Hollman, Chelsey MacKenzie.
Second Row: Isabel Hacez-Gutierrez, Mari Vigil-E Carriles, Elise Paul, Sophia Arav Salazar, Tessa Siksay, Pilar Garcia-Roza.

This was the first year the school had a tier 2 hockey team. The primary focus was to build a feeder division for the Trafalgar Dragons hockey team. It was a pleasure and indeed a privilege, to guide these young ladies in the course set for them. While a few were aware of the fundamentals of the sport, there were also those who had little experience with our winters, let alone skates and sheets of ice. It was a challenge, but as would be expected, the "Trafalgar Girls" rose to the occasion. Given a bit more experience, this year's rookies will play with the Dragons some day.

Gymnastics Team

Front Row: Jacqueline Dew, Rebecca Faulkner, Stephanie Dietterle, Julia Coffin, Chae-Ri Jeong.
Second Row: Caroline Bynon-Murray, Meghan Malachowski-Lessard, Harriet Bynon-Murray, Meghan Kirton, Katt Krozonouski.
Absent: Hali Russell, Robyn Barefoot.

When the Chapel bell rings, the gymnasts are bright eyed and energized, having already spent over an hour improving their tumbling and leaping skills. Our gymnasts showed incredible grace on and off the gym floor. Every gymnast received at least one top 8 placing at various competitions throughout the season; always putting forth their best performance for the judges. At the CISAA Championship, the girls were a tremendous help in running the event. I look forward to an even more successful season next year!

Second Row: Mrs. Subrizi, Hali Russell, Jessica Peroff, Elisa Park, Mrs. Robinson.

Third Row: Catherine Sim, Tessa Siksai, Kemi Amurawaiye, Alea Frauts.

Wow! What a season! The U 14 Softball team was undefeated going into the championships, and we were first in our division. At the championships, we won our first game, and then lost the game that determined whether we were going to play for first place. However, we pulled through with third place, and all that matters is that we tried hard! The season was a real hoot and a half, not to mention the water fight that was going on during the ride home! (HAHA!!)

Alea Frauts

Under 20 Softball Team

Congratulations to the Under 20 Softball team for winning the Tier II league title and playoff championship again this year. This marks the third gold medal for the team in the past four seasons. Special mention goes to Alycia Wodzack for her stellar pitching efforts. Thanks also go to Mr. Palmer for coaching the team again this year. Best of luck next year!

Front Row: Mr. Palmer, Laurel Brazill, Patricia Manos, Carolyn Bushuk, Alycia Wodzack, Lesley Campbell, Jennifer MacPherson.

Second Row: Sarah Gheriani, Erin Siksai, Margaret McKay, Rebecca Russell, Emily Lamb, Danielle Morgan, Hailey Adams, Stephanie Garbe.

U14 Tennis Team

We had a very enthusiastic and dedicated crew this year. Whether it rained, shined or was absolutely freezing, the elements could not keep the tennis team off the courts. The team spirit was remarkable with team mates cheering each other on during matches. Although we did not win, the team's improvement was evident in the last match of the playoff tournament. Regardless of the outcome, these girls truly have a love for the sport!

Front Row: Ms. Malcolm, Fernanda Calderon, Isabel Haces-Gutierrez, Susana Geisser-Nunez, Regina Dominguez-E, Ximena Perez Teuffer, Cori Alonso.
Second Row: Lovey Dullat, Sarah Mehta, Sybille Lindsay, Stephanie Lane, Jordan LaRocque-White, Laura Holman, Nikki Hadley.

U20 Tennis Team

Front Row: Pilar Garcia, Patsy Lu, Terry Kwok, Isabel Tames, Sophia Arav Salazar, Daniela Campbell.
Second Row: Ms. Darrell, Vivian Wong, Sue Liu, Samantha Cunningham, Tanya Murdoch, Karen Thomas, Ms. Mitchell.
Third Row: Yvonne Chiu, Lauren Wianecki, Erin Campbell, Kaitlynn Gambier, Lindsay Pilon.

The U20 Tennis season was a short one this year. There were many who tried out and several who joined the rapidly improving 'training team'. Although we did not make it to the playoffs, we had a great time. There was some great coaching assistance from our seniors, Vivian Wong and Terry Kwok. We will certainly miss them next year!

Rugby Team

Front Row: Hailey Branton, Allison Lamb, Hailey Adams, Jamie Brownlee, Megan Aird, Meghan Kirton, Margaret McKay.

Second Row: Mr. Weaver, Courtney White, Mia Abuzgaya, Elizabeth Selbie, Sabrina Nemeth, Holly Pearson.

Third Row: Sam Wong, Meghan Malachowski-Lessard, Jacqueline Pilon, Vero Caron.

This was the first year for the Trafalgar Dragons Rugby Club, and the team exceeded all expectations. Training began with early morning sessions in January, under the expert supervision of our Durham Police coaches, Dave, Amanda, and Tara. After March Break, our season officially began with a mini-tourney versus Greenwood College and Trinity College School. Despite their lack of experience, the girls roared to their first victory in their first ever game. As the season continued, the girls improved in skill, technique, and ferocity. Special mention to our scrum half, Hailey Branton, and high scorer Allison Lamb. The team now has a firm foundation which will lead to further success in the years to come.

U20 Soccer Team

Despite killer wind sprints in practices, Vaseline foot massages (to keep blisters away!) and fashion magazine perusal during the finals, it was a great season. The girls had amazing chemistry, working together as a team. The defence by the end of the season, was impenetrable. The team was well rewarded with the championship and the gold medal.

We would like to offer special thanks and appreciation to our departing seniors. Jess Daicos, or "Tenderfoot" as she is known, was able to suffer through many blisters and still perform with enthusiasm; Christina Runza with her continually positive attitude played her best game on the last day when we needed her most and Dunya Zia, served as our 6 month old puppy, running around chasing a ball anywhere on the field. Mrs. Robertson and Mr. Huxter would like to thank all players for a wonderful season.

Front Row: Melissa Webb, Elena Aguirre, Tobi Odueke, Caroline Bynon-Murray, Harriet Bynon-Murray.

Second Row: Mr. Huxter, Mar Vicente, Marielisa Villasenor, Christina Runza, Katt Krozonouski, Mrs. Robertson.

Third Row: Grace Bravo, Dunya Zia, Lisa Harrington, Alexa McCartney, Jessica Daicos.

Track and Field Team

Trafalgar's Track and Field Team was a small, but mighty group for the 2006 season. Pre-season practices were held in March in preparation for athletes competing in several running and jumping events. The season included the CISAA Indoors, Jaguar Relays, the CISAA Outdoor Championships and the Metro Regionals. Congratulations go out to Heather Humphries, Amy Sauger, Patricia Manos, Lianne Holland, Brittney Lebel and Allison Lamb for a successful 2006 Track season. The highlight of the season was Patricia's 3rd place finish in the long jump at the CISAA Championships which advanced her to the Metro Regional Championships at Etobicoke's Centennial Stadium. Miss Miles-Berry would like to thank all the girls for a fun and memorable season and looks forward to next year!

Front Row: Ms. Miles-Berry, Amy Sauger, Patricia Manos, Heather Humphries, Lianne Holland, Allison Lamb, Brittney Lebel.

Valedictory Address

Some people come into our lives and quickly go. Some stay for a while and leave footprints on our hearts. And we are never, ever the same. The friendships and memories I have made here at Trafalgar have made me the person I am today and the message embedded in those memories will carry me through to the person I will be tomorrow.

Good morning family, friends, classmates, staff, and of course the most stunning Graduates this school has ever seen. Looking back on these last four years, we have all been privileged to call this historic castle our school and home away from home. I personally have had the best years of my life within this stone, brick, and concrete castle; they can only be summed up by two words, life changing. The people we've met, the tears we've shed, the food we've eaten, the good times we have all shared, the sit down lunches, the dinners, being two minutes late for break and learning that all the muffins are gone, or being early for break and finding out it is fruit and vegetables, have all contributed to our joyful memories.

Let me take you all back four years when we barely set foot into grade 9 and the next thing we knew, we were on a yellow school bus headed out to the woods, Muskoka Woods that is. We started out on that trip with much hesitation; we didn't know what we were getting ourselves into. Little did we know we would return from this retreat with our new best friends for the next four years. What a way to start high school!

I cannot think of a better way to unite 240 girls from grades 6-12 from many different backgrounds. This is a time when we future graduates bonded, laughed, cried, sang at the top of our lungs, and ate more candy than anyone should ever consume. Next year we will move on to something different. It may not be better,

but it will definitely be bigger. We will miss camping weekend and the silly house competitions that go hand in hand with this event. I am almost positive that we will not be seeing our professors dress up in drag or choreograph an air band during frosh week. But I know that our experiences at camping weekend will definitely put us at the top of our game for our first week at university.

The girls that I have been so fortunate to share my classroom experiences with, are intelligent, funny, hardworking, success driven young women. Throughout my high school career have looked up to them. Though these girls may not know how much of an impact they have left within these walls, their memory will live on forever inside this perpetually standing fortress. Seeing as we all have this one experience in common, we will share the bond of Trafalgar Castle throughout our future. This unbreakable tie will bring us back together when we are old and grey. Trafalgar has been our constant support, shelter, and life for the past four years. Of course we will go our separate ways through university and future career paths, but knowing that we can always come back to our roots to reunite with the people we shared these important years of our lives with, will be a constant reminder that we belong in the Trafalgar community as alumni.

While venturing out into the "real world" so to speak, there will be many new experiences and adventures we will encounter; hopefully boys will be included within these. I wouldn't say we have been totally isolated from boys through our past years, but the very occasional dances we had with St. Andrew's wasn't really a fair share of selection (no offence). All of us will continue with our goals and one day meet that special someone who will add to our support system and further encourage us to reach the goals we have been dreaming of. Our teachers have been a great help with preparing us to go off on our own and be able to stand on our own two feet as strong independent women. They have not only taught us about literature, mathematics, and everything in-between, but also that we can be successful women in the ever so competitive male driven work force. We sincerely thank you, our amazing teachers.

To the graduating class of 2006 and the best friends I will forever miss. If you take only one thing away from me throughout our years spent together, let it be this "Be truthful to yourself, and honest with others". I have observed many changes in each one of you that you may not even notice happened. I have watched you grow, and have grown with you into the beautiful intellectual women we are today.

I would like to thank my fellow grads who have always been there for me through the good times and the not so good times. You have further led me to the realization of something that I have come to accept over my years at Trafalgar, "Everything happens for a reason". I would like you to remember not all things are in our control, but the disappointments in life are things that make us stronger and force us to take different directions in life, which at the time may not seem to make sense but will usually lead you to your goals and appropriate outcomes. As Marcel Proust once said "The voyage of discovery is not in seeking new landscapes but in having new eyes". Through every situation that I have encountered this past year, and there were many, there has always been a constant connection between them. Looking back I can now see these connections and appreciate each outcome. Without you girls, this would never be possible, and for this I thank each one of you.

On behalf of the graduating class of 2006, I would like to say thank you to our fellow Trafalgarites who were always there for us to share a laugh with, lend a shoulder to cry on, and just to be there for us to vent to about anything. To our amazing teachers, without you all we would not be where or who we are today and who we will become in the future. Finally to our families. What can I say about our caring, loving, and supportive parents and siblings who never gave up on us. Thank you for dealing with our temper tantrums when we were stressed (which was pretty much all the time), trusting us enough to know that we won't spend all your money in the Guild buying candy, chips and chocolate bars, but overall thank you for thinking of our futures and wanting the best for us. For those family members who could not be here today due to unfortunate circumstances, you are here in spirit and we know that you are deeply proud of us. But, none of this success would have been slightly possible if it weren't for our dear old Trafalgar where "our future rules"!
